

The Fields

Pleasant Prairie, Wisconsin

Site Photo

A new neighborhood

The proposed neighborhood of The Fields lies near the southeastern border of Wisconsin, within the unique village of Pleasant Prairie. The project will be comprised of an 86-acre neighborhood of 126 single family homes set against a natural open space area to the north. Town Builder Studios utilizes our broad range of expertise, doing the entire site planning, engineering, and managing the full entitlement process for this project.

Services:

- Civil engineering
- Project management of entire entitlement process

Development Highlights:

- 86 acres
- 126 single family homes
